

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PROPOSED RESTRUCTURE AND REPRICING    )  
OF AT&T'S CHANNEL SERVICES TARIFF    ) CASE NO. 89-168

O R D E R

On July 21, 1989, AT&T Communications of the South Central States, Inc. ("AT&T") made a tariff filing to reprice and restructure its channel services tariffs on a revenue neutral basis. On March 19, 1990, the Commission entered an Order approving AT&T's channel services tariff filing, resulting in a revenue increase of \$4,364,000. Also, the Commission ordered AT&T to file switched services rate decreases to achieve revenue neutrality. On April 23, 1990, AT&T filed revised switched services tariffs reducing switched services rates in the amount of \$4,370,000, effective June 1, 1990.

The Commission, having considered the tariff filing and being sufficiently advised, finds that:

1. There is a \$140,000 difference between the original price-out for Software Defined Network Service and the current price-out, due to changed demand quantities. This difference does not appear to be reasonable and should be applied to Message Telecommunications Service.

2. The April 23 price-out for AT&T 800 Readyline Service includes a revenue reduction of \$207,000 obtained through an unrelated tariff filing made on February 1, 1990. Since the

tariff filing was not related to this case, the revenue reduction associated with it should not be recognized in this case and should be applied to Message Telecommunications Service. Accordingly, the rates for Message Telecommunications Service as prescribed in Appendix A, are fair, just and reasonable.

IT IS THEREFORE ORDERED that:

1. AT&T's proposed rates for Wide Area Telecommunications Service, AT&T Pro WATS Kentucky, AT&T All Pro WATS Kentucky, AT&T Megacom WATS Service, AT&T Megacom 800 Service, and AT&T 800 Readyline Service are hereby approved as filed, effective on and after the date of this Order.

2. The rates for Message Telecommunications Service shall be as prescribed in Appendix A, attached and incorporated herein, effective on and after the date of this Order.

3. Within 30 days from the date of this Order, AT&T shall file revised tariff pages with the Commission stating the rates and charges approved herein.

4. The rates and charges for channel services, approved in an Order dated March 19, 1990 in this case, shall not be implemented prior to implementation of the rates and charges approved herein.

Done at Frankfort, Kentucky, this 1st day of June, 1990.

By the Commission

ATTEST:

  
Executive Director
